Response Due Date:
June 23, 2008

Identification Number: C00041269

Reference: March Monthly Report (2/1/08-2/29/08)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 3 items:

1. On Schedule H2 of your report you disclose the ratio for "Jefferson Jackson Dinner/Jan. 30, 2008" to be 43% Federal and 57% Non-Federal. However, your Schedule H4 calculations reflect the ratio to be 40.5% Federal and 59.5% Non-Federal. Please amend your report to clarify this discrepancy.

Please note that if your non-federal account has overpaid your federal account because of this miscalculation, it will be necessary to immediately transfer these funds back to the non-federal account. While the Commission may take further legal action concerning any impermissible overpayments by the non-federal account, your prompt action will be taken into consideration.

2. Schedule H4 of your report discloses reimbursements to individuals for "Computer Supplies" and "JJ2008 Shirts". Please be advised that when itemizing reimbursements to individuals for goods or services, payment to the original vendors must be itemized as memo entries regardless of amount. Each memo entry must include the name and address of the original vendor, as well as the date, amount and purpose of the original purchase must be provided. Please amend your report to include the missing information and clearly identify on the Schedule H4, which

reimbursement each memo entry relates to. 11 CFR §§104.10 and 104.17, and Advisory Opinions 1992-1 and 1996-20, footnote 3

3. On Schedule H4, your allocated activity or event year-to-date total calculations for the Administrative category and "Jefferson Jackson Dinner/Jan 30, 2008" are incorrect. Allocated activity or event year-to-date totals for administrative, voter drive, exempt activity costs and expenses for public communications made by PACs referencing only political parties are derived by aggregating all disbursements during the calendar year for each separate category. Allocated activity or event year-to-date totals for fundraising and direct candidate support activities are derived by aggregating all disbursements during the calendar year within a specific event. These should be calculated by adding the latest disbursement for a category or event to the previous event year-to-date total for that category or event. This running event year-to-date total should be disclosed after each disbursement is listed. Please amend your report by providing the correct event year-to-date totals.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1177.

Sincerely,
